Coordination of Funds at regional level - Support for Rural Development project

Regional Cooperation Group

- Works at regional/provincial level
- Meetings ones a month
- Experts represented of different EU's Funds: The EU's Common Agriculture Policy (CAP), European Regional Development Fund (ERDF), European Social Fund Plus (ESF+), Just Transition Fund (JTF)
- Presentation and discussion of projects - before decision of funding
- → No double funding, important information and overview of regional development

Coordinating Funding for Rural Entrepreneurship

Customer relationship management, CRM

- Software system for managing data of the entrepreneurship
- Information about different fundings (CAP, EFRD, JTF, also from the period 2014-2023, Business Finland)
- Company-specific information: data of the received funding, summary of the project, amount of the support, De minimis, dates, authority etc., & future needs
- Also works as a tool between experts - distributing information to another expert → helps entrepreneur get more information about possibilities
