

The Just Transition Platform (JTP) and the Cohesion for Transitions (C4T) Community of Practice

Rural communities tackling climate change

20 March 2024

Just Transition Platform

A single access point to support and knowledge on just transition and the Just Transition Mechanism/ Just Transition Fund (JTF)

C4T Community of Practice

Support for the implementation of sustainability transitions with cohesion policy under Policy Objective 2 'A greener, low-carbon transition towards a net zero carbon economy and resilient Europe'

Working groups (Energy, Environment, Climate):

- Exchange of knowledge and good practices
- Solutions to specific challenges
- Networking and collaboration

Create C4T collaborations and partnerships

Academic Sounding Board

- Advancements on the concept of sustainability transition in cohesion policy
- Solutions to specific challenges
- Networking and collaboration

Enable co-creation and integrated solutions

C4T GROUNDWORK

- Resolution of specific challenges and meeting needs for advice on issues related to cohesion for sustainability transitions
- Exchange of knowledge and good practices

Enable cohesion policy investments in sustainable transition supporting the EGD

Thank you!
