# THINK EUROPEAN, ACT LOCAL

- **Youth work at local level**
  - Low-threshold participation processes in the sense of democratic activism
  - Practice-orientated non-formal political education (in relation to everyday experience)
- **Youth work at European level**
  - Exchange on local challenges and possible solutions
  - International exchange
  - Joint discovery of the European dimensions of local problems

Funded by:

# OPERATIONAL TARGETS:

- Establishment and motivation of local groups for political education and European activities.
- Development of long-term, strategic measures to support inclusive local youth work.
- Supporting the involvement of young people in participatory processes at local level
- Encouraging young people to connect with their local communities
