International Commission for the Protection of the Alps | For the sustainable development in the Alpine region

CIPRA
LIVING IN
THE ALPS

20.06.2024

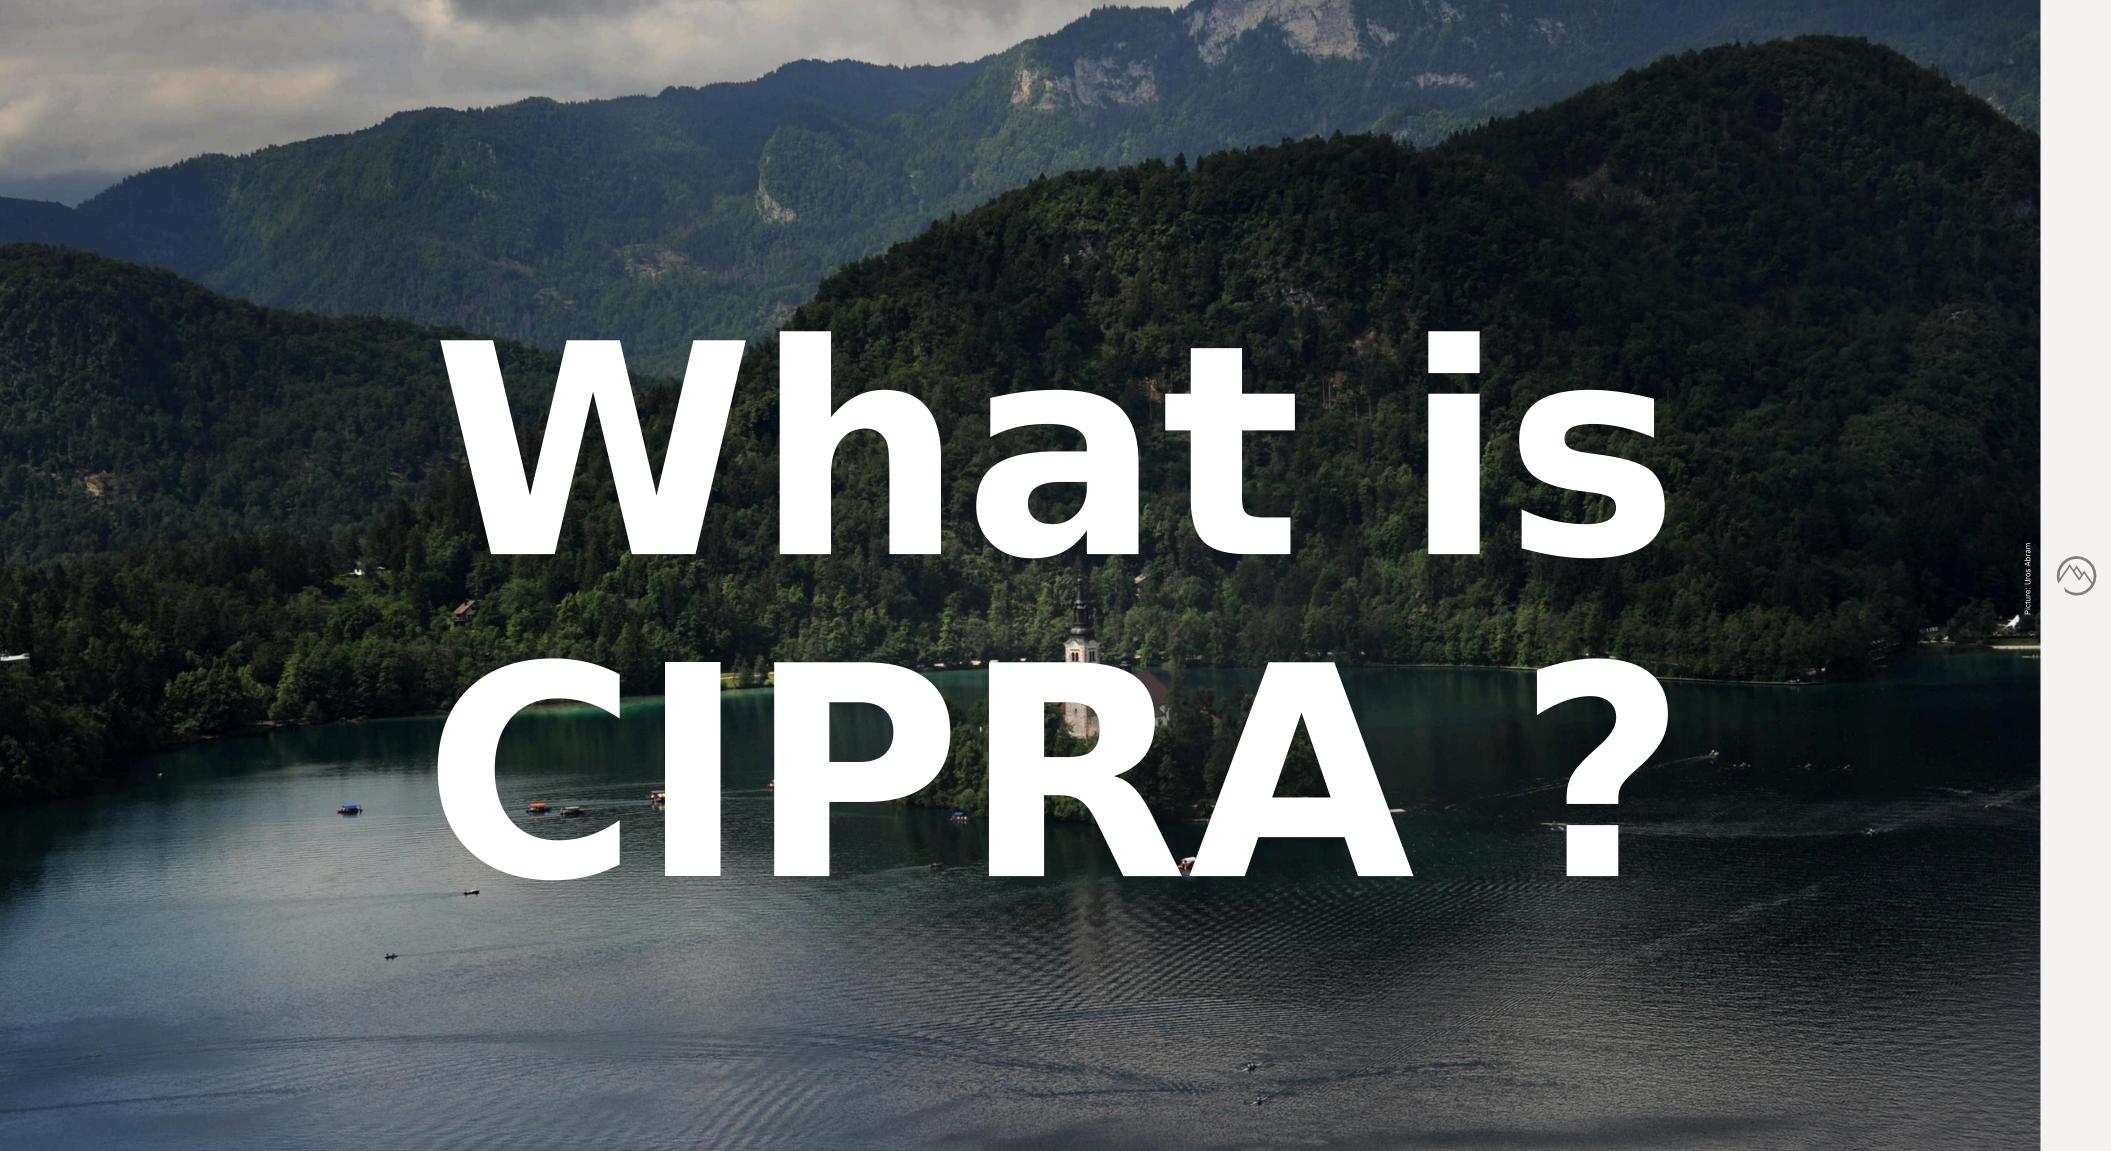

Enhancing rural mobility through local action

Overview

- > What is CIPRA?
- > Territorial mobility
 examples from the CIPRA
 France network

Who we are

- The International Commission for the Protection of the Alps Commission Internationale pour la Protection des Alpes
- Founded in Rottach-Egern (Germany)
 in 1952
- NGO
- Co-founder of the Alpine Convention

CIPRA...

- ...is a polyglot, informative communicator with a wide reach
- ...lobbies politicians, enterprises and administrations
- ...networks people, projects and organisations
- ...encourages actors to realise their own projects
- ...represents people and organisations committed to life in the Alps

We stand for

Protection of the Alps +
Life in the Alps =
Sustainable
development in the
Alps

Savoie département

People living or working in Savoie can travel for free as a passenger on BlaBlaCarDaily. For all journeys >5 km and <80km within Savoie, drivers are paid.

- Driver remuneration of 0.10cts€/km (min. 2€, max. 5€)
- Free for the passenger(s)

The local authority of arrival pays for the journey.

Thank you very much!
