As we step into 2025, we're excited to announce the beginning of the Polish Presidency of ELARD! **PL** Together, we continue our mission to advocate for thriving rural areas and champion LEADER-CLLD across Europe.

We're proud to share as well the Rural Pact Joint Declaration, a document we had the honour to contribute to. This declaration outlines a vision for vibrant rural communities and calls for:

- 🌱 Stronger support for rural areas through tailored policies and investments.
- 👏 Improved governance to empower local actors.
- 🔄 Integrated strategies to tackle challenges like depopulation and economic disparities.

Dear reader,

As we step into a decisive year for rural development in Europe, exciting initiatives, key policy discussions, and valuable opportunities are unfolding. From the latest Rural Pact declaration to discussions on the post-2027 EU policy architecture, and new leadership and cooperation opportunities, there's a lot to explore. Whether you're looking to engage in policy discussions, participate in global events, or discover funding opportunities, this edition has something for you!

Here's what's happening:

🌱 Shaping the Future of Rural Development

- The Joint **Declaration** on the Future of Rural Development by the Rural Pact Coordination Group, of which ELARD is a member, sets the stage for post-2027 policies. Read it [here](#).
- ELARD was nominated as member of the European Board on Agriculture and Food (EBAF). This new platform aims to foster stakeholder collaboration and provide input on agricultural and food policies, strengthening the sector's sustainability and resilience. As a member there, ELARD broadens the discussion and ensures that rural areas thrive not only through farming but also through diversified local development. The first meeting took place on February 4th.
- Agri Commissioner Hansen is expected to reveal the Commission's new Vision on agriculture and Food on 19/02/2024.
- New Opinion on EU budget and Place-Based Policies – The European Committee of the Regions has formally adopted an opinion advocating for stronger territorial approaches to local development. This reinforces the importance of multi-level governance and integrated local

IRELAND

- Presentation to raise awareness on the Rural Pact and Declaration to national Network of LAGs (49 members) and Officials from the Department of Community and Rural Development.
- The local Development Companies Network sent letters to all MEP candidates to inform them about the Rural Pact and to invite them to sign up.

The top slide is the cover of a presentation titled "Translating the long-term vision for rural areas & the Rural Pact for Ireland". It features the UCD Dublin logo, the Rural Pact logo, and a group of five diverse people. The text includes "Dr Karen Keaveney & Gabriel O'Connell" and "Presentation to the ILDN Rural Development Oversight Forum". The bottom of the slide has the #RuralPact hashtag and the European Union funding logo.

The Rural Pact

The diagram shows a central orange circle labeled "Rural Pact" surrounded by four green ovals: "National Member States", "Regional", "Stakeholders Citizens, civil society, businesses, etc.", and "European".

Participatory process

A thumbnail of the Rural Pact proposal document is shown, featuring a group of people in a rural setting.

What is the Rural Pact ?
The Rural Pact is a formal space and framework to boost cooperation between national, regional and local governments, civil society organisations, businesses, academics and citizens to act towards the shared goals of the rural vision.

ELARD: LEADER širše teritorialno orodje

Moteno ko EU pregleduje svoj volični finančni okvir in razvija in prihodnosti kmetijske politike, ni čudno, da zagotavljanje sredstev za podeželje, temveč tudi zagotavljanje, da bo razvoj podeželja prepoznati kot resnično medsektorska prehodna naloga v vseh politikah EU. Program LEADER je bil s svojim pristopom od spoda razvoj in aktivnim vključevanjem deležnikov na podeželju v različnih programskih dokumentih od 2007 morda le najbolj jasen, da ga pomenijo postavimo kot širše teritorialno orodje, ki povezuje več politiki EU. Vizija razvoja kmetijstva in prehrane po 2027

Evropska komisija je 10. 3. 2025 predstavila Vizijo razvoja za kmetijstvo in prehrano, ki predstavlja skupno vizijo vseh politik s področja kmetijstva in prehrane in na podlagi katere bo Evropska komisija in politike razvoja kmetijstva in prehrane. Vizija zajema več vidikov kmetijstva in prehrane, ki sta pomembna tudi v obliki strategije samozadostnosti EU in suverenosti pri prehrani in varnosti.

Predsednica Komisije Ursula von der Leyen je poudarila, da so kmetje v središču evropskega prehranskega sistema in da se soočajo z izzivi, kot sta globalna

Déclaration du Groupe de coordination du Rural Pact

Adoptée le 12 décembre 2024, la Déclaration du RPCG trace une feuille de route ambitieuse pour l'avenir des zones rurales après 2027.

Elle appelle à un changement fort des politiques européennes afin de garantir la durabilité et la résilience de ces territoires. Portée par une large concertation, elle propose plus de financements ciblés, une meilleure coordination entre acteurs, et un soutien renforcé aux initiatives locales comme LEADER et les Villages Intelligents.

L'objectif : faire des zones rurales un pilier du bien-être économique, social et environnemental de l'Union européenne.
