The screenshot displays the Rural Pact Community Platform interface. At the top, there is a header with the European Union logo and a search bar. Below this is a navigation menu with links to 'Rural Pact', 'Rural revitalisation', 'The platform', 'Commitments to the Pact', 'Resources', and 'News and events'. The main content area features a large banner image of a rural landscape with trees and a body of water. Below the banner, the event title 'Policy Lab 'Rural proofing: looking at policies through the rural lens'' is prominently displayed. A description states: 'This Policy Action Lab, organised by the Rural Pact Support Office, will explore measures that can be taken to efficiently implement the rural proofing mechanism at EU, national and regional levels. It will enable peer exchange and reflection as well as develop proposals and recommendations for policymakers.' To the right of the description, there is a sidebar with event details: 'Organised by Rural Pact', dates '12 Jun 2025, 09:00' and '12 Jun 2025, 17:00 CEST', language 'English', and location 'European Union'. Below the description, there is a section for 'Objectives' with a bullet point: 'Improve understanding of the rationale, methods and challenges of applying'. A 'Download' button is also visible next to the event title.
