Faisons battre le coeur des villages !

Making rural areas attractive for young generation

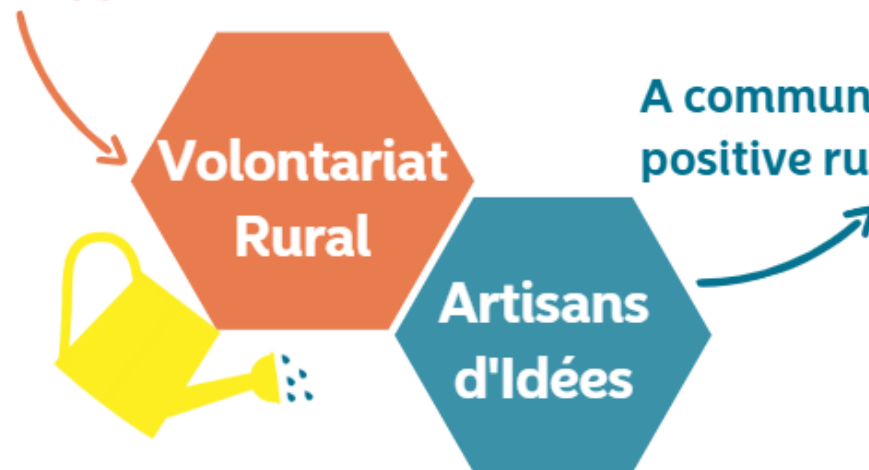

RURAL PACT - 17th september 2025

InSite

since 2018

Young volunteers
to support rural areas

A community to promote
positive rural outlook

3 pillars :

RURALITIES

reduce territorial imbalances to combat the feeling of being left behind by rural populations

YOUTH

a new ambition for young people and areas of commitment in favour of transition

COOPERATION

promoting cooperation and shared governance

RURAL VOLUNTEERING

*Committed youth in the heart
of the villages*

inSite

For whom ?

- Volunteers between the ages of 18 and 25-30 through the civic service program
- Rural communities with fewer than 1,500 inhabitants

How ?

Volunteers work in pairs for 6 to 8 months, immersed in villages to bring projects to life

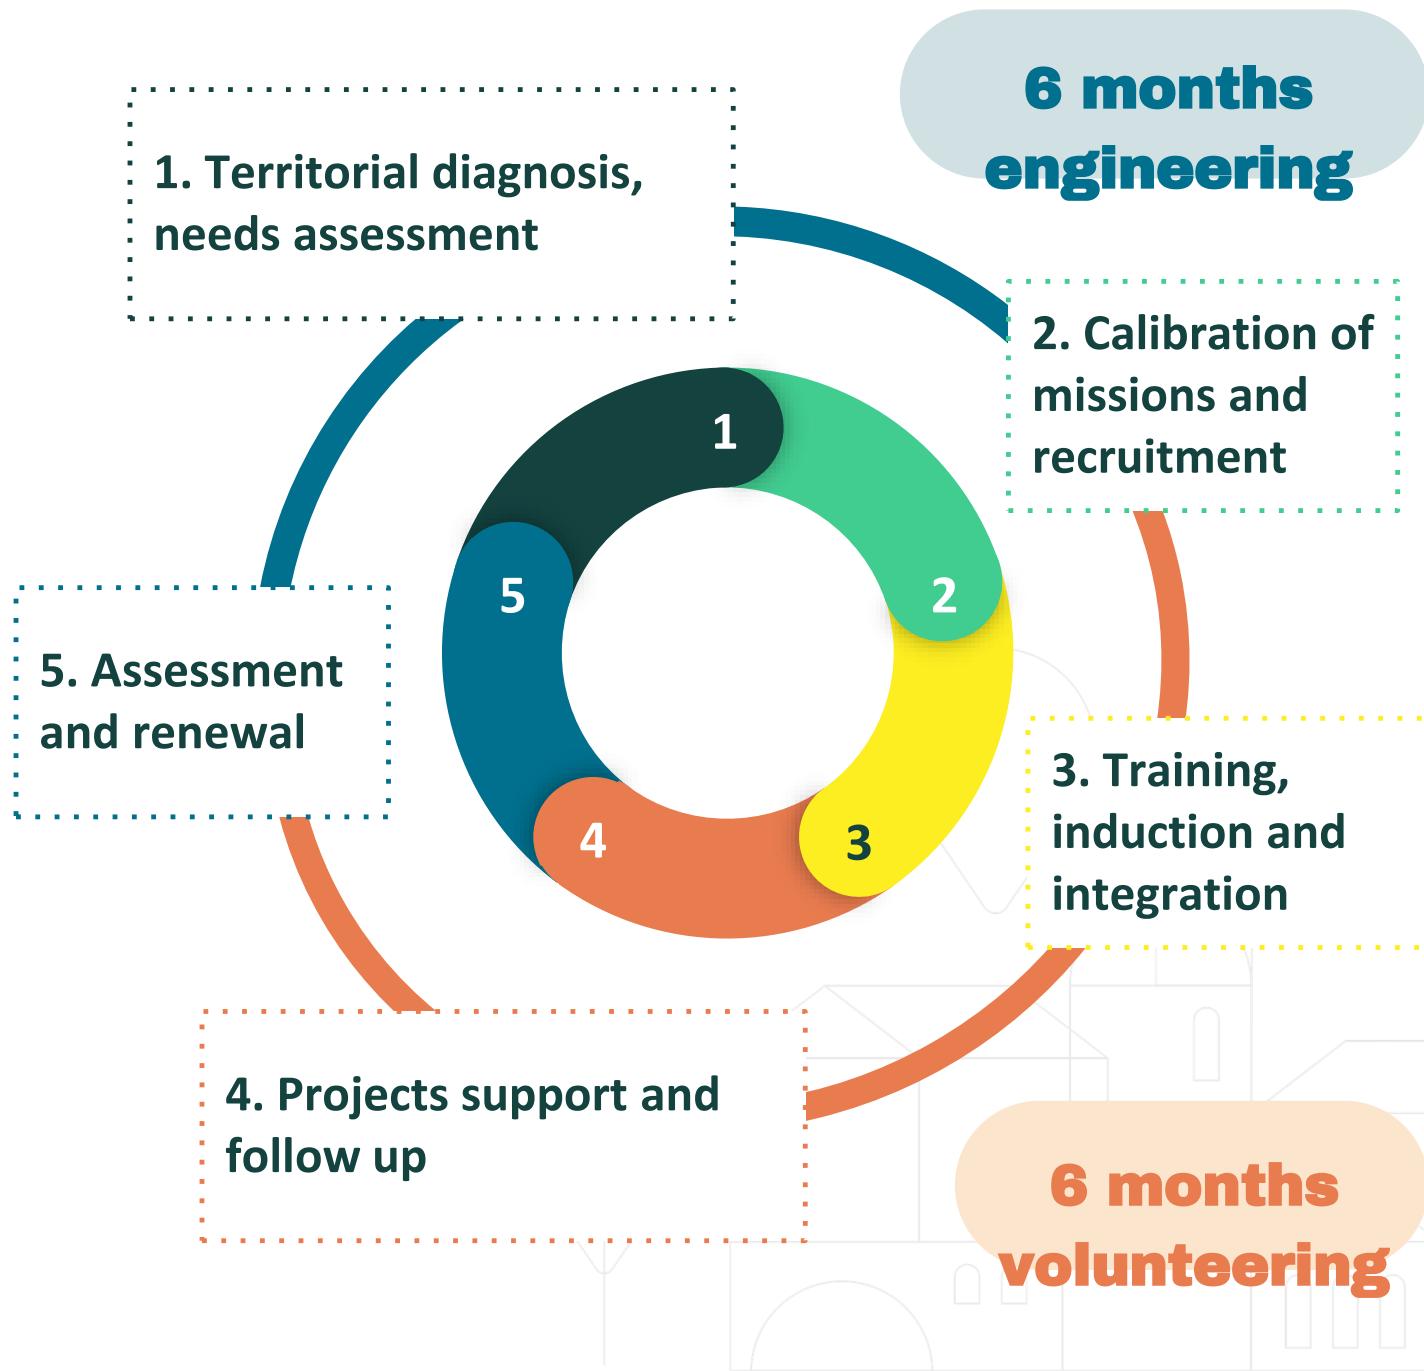

Main areas :

- Animation and social cohesion
- Culture and heritage
- Environment

Eligibility criteria :

- Accommodation provided by the commune
- Local operational follow-up for volunteers
